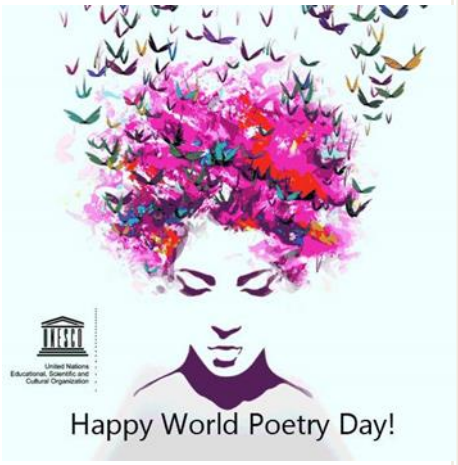
Dear Parents,

No sooner has two weeks full of activity and good news passed than another has come along with more action, achievements and celebrations for our Secondary students.

SUIS Students and Staff celebrate World Poetry Day

On Tuesday 16th March, International Secondary Stream (ISS), English Department students and staff participated in a poetry writing competition in the run-up to World Poetry Day on the 21st.

This is the first year for World Poetry Day to take place within SUIS and students were excited to be a part of the inaugural event. The theme of this year's event was, 'Growing up', and students from Grades 6 through to A2 were encouraged to let their linguistic and poetic creativity flow.



Held every year on 21st of March, World Poetry Day celebrates one of humanity's most treasured forms of cultural and linguistic expression and identity. Practised throughout history, poetry speaks to our common humanity and our shared values, transforming the simplest of poems into a powerful catalyst for dialogue and peace.

UNESCO first adopted 21st March as World Poetry Day, with the aim of supporting linguistic diversity through poetic expression and increasing the opportunity for endangered languages to be heard.

World Poetry Day is an occasion to honour poets, revive oral traditions of poetry recitals, promote the reading, writing, and teaching of poetry, foster the convergence between poetry and other arts such as theatre, dance, music, and painting, and raise the visibility of poetry in the media. As poetry continues to bring people together across continents, all are invited to join in.

SUIS staff across the campus also got involved by penning down their poems on the theme of, 'Longing'.

Winning poems will be recited by their budding poets during a special assembly next month.
