

SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21st century.

Dear Parents,

Welcome to our latest issue. Being a student at SUIS Pudong is such great fun. In this issue, you will see all of the wonderful things that took place during our recent Friendship week. I am sure that when you ask your child what they learnt in this annual event, they will be able to tell you lots of things including how to be a good friend. Please enjoy the photos. I would like to announce that we have our new PSG Chair Lillian to introduce to you. Please join me in congratulating Lillian who is already busy with her team preparing for our upcoming Winter Bazaar.

Friends bring all the warm hearts together!

Our Friendship week took place when the cold weather arrived in Shanghai this year. Good friends care about each other's feelings. Good friends equally like to share. During this week, our students learnt different qualities to have if you want to be a good friend and also enjoyed all the activities in the school.

G1-3

Friend gift exchange: Our amazing and friendly Grade 1 to 3 students each brought a little gift for a student in another class. They all thought of something that their friend would like to have and this helped students make some new friends in school.

G4-5

Our diligent and warm-hearted G4 and G5 classes make friendship bracelet for their friends. They take their time, choose all the nice colours that their friends would like to have.

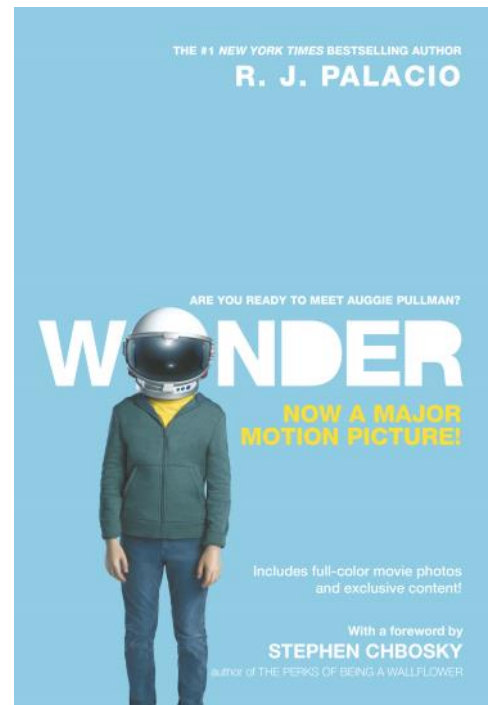

Friendship Corner

During the break time, we set up a Friendship corner on the field. At our Friendship corner, we set up interesting crafts that students can make for their friends. Students who are willing to make some new friends are welcomed to join and make something together. They also left lovely notes about how important friendship is and how meaningful their friendship is to them.

Movie Appreciation

Grade 1-3 students watched the colourful and funny movie Trolls while Grade 4 and 5 watched the thoughtful and inspiring movie Wonder. Students all enjoyed them and also reflected on the importance of Friendship.

On Friday, we had our annual Pink and Purple Day where all the students and teachers dressed up in vibrant pink or purple clothes to support our friendship week.

Friendship Rules

Do you know?
I know everyone had
quarrels with his/her
best friend.
But don't be so angry,
because everyone makes
mistakes, and you
too.

Clever Notes

When you are finding
friends, your friend can't
need to have all those qualities.

Because a
friend who miss-
es 1-3 qualities
may be a good fr-
iend to you.
(But more than
this, no)

By Amy

Let's first see what
kinds of friends to make!!

If you want to make
new friends, your new friends
must have these qualities:

Must:

- Kind
- helpful
- loyal
- respectful
- friendly
- Joyful

Optional:

- Not being bad to people he/she don't like
- Nice and caring to people he/she does not know
- If she/he likes you before you two were friends.

Conclusion:

For me, a good friend is a person who is likely
to help everyone he/she met, but is clever enough to figure out
which to not help. ~~but that says that friend needs to have all those qualities~~

See what you should
do to your new friend!!

When you found a new friend
make sure to:

Must:

- be kind
- helpful
- not making fun of he/she when
he/she did funny things.
- not making he/she give you something

Optional:

- play and don't describe your new friend when you are
playing with others
- share fun, good ideas, things, food, and presents
to your new friends.

When others say things that hurt your feelings, tell the teacher and ignore them.

Being kind not only helps your friend, it also helps you be a better person. 😊

Friends may have disagreements sometimes, but that's just your friendship boat tilting a little bit. You and your friend will eventually play again.

When you are given the choice to chose 'kind' or 'right', chose 'KIND'

Have faith in yourself.

Everyone is special!

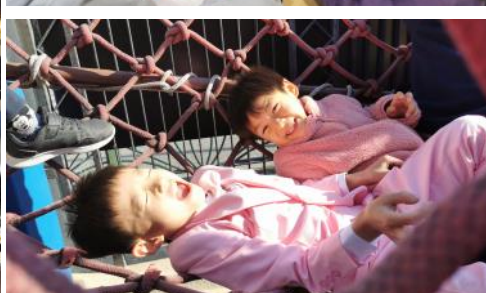

If you don't blend in, just act as if you are very special and let the others stare.

Don't judge a book by its cover.

If you don't look like others, you are still an awesome person.

Be yourself!

Friendship Week may be finished,
but friendship will last forever!

Book Week

Next week will be our ISP Book Week and will be full of a variety of activities and celebrations. Activities will include the book fair, book swap, story-telling sessions, door decorating competition, pajama dress up day and this year's story writing competition winners will be announced.

Book Fair

The book fair will return to SUIIS during our ISP Book Week. It will run from Tuesday 23rd to Thursday 25th. Each class will schedule a time to visit the book fair during those days. Students will be informed of their scheduled visit and can bring up to 300 RMB on that day in order to make purchases. We strongly suggest you prepare an envelope or a small purse for your child.

Book Swap / Pajama Day

This year's book swap will be an all-day event that will take place on Friday the 26th. Students can bring books that they would like to swap to their homeroom teacher from Monday to Thursday morning. On Friday, students can come to school dressed in their comfy, cozy pajamas.

Reading Morning / Guest Readers

During book week, we would like to encourage parents to volunteer to read a story to our students. If you would like to participate, please inform your child's homeroom teacher and arrange a time.

Also on Friday, students from each class will go to a lower grade level class to read a story. It will be a special experience for the students to interact in this manner. The students reading the stories will get to experience the joy of reading to younger students, while the younger students will benefit from listening to their slightly older peers.

Door Decorations

Every class will create a door decoration, related to a book or author they enjoy. Classes will work together and came up with some exceptional designs. Prizes will be given out for the most creative classes. This will also help students to practice their teamwork and design skills.

Story Writing Competition

This year's story writing competition is well underway. Students have been writing and illustrating their own English and Chinese books and the deadline for the competition was on Monday 15th November. The best entries are being selected and the winners will have their stories published. The winners will be announced during our celebration assembly on Friday the 26th of November. Our Authors' Day is being planned to occur within this school year, and these students will get the chance to sell their books to other students and teachers at that time.
