

SUIS Pudong offers an opportunity to enter a continuum of education from Primary through to the end of Secondary to prepare our children become the Chinese citizen for 21st century global society.

Dear Parents

Welcome to the next exciting issue. We recently had our Primary Sports Day which was a great success. Children from all of the grades had the opportunity to take part in various sports activities and develop their skills of cooperation, teamwork and team spirit. It was great to see students supporting and cheering for one another. We were very grateful to have our Secondary students supporting each of the stations. Thank you to all of the parents who came in to support the students. We hope you had an enjoyable time.

Last Friday it was great to have a special Halloween parade and movie night put on and led by our wonderful PSG. The weather was perfect and there was a great feeling of our school coming together in a parade. The movie night was a success and a big thanks to all of the PSG who carefully took care of the students.

I would like to take the opportunity to explain a couple of procedures. We would like students and parents to make sure that each day students arrive to school with all of the things they will need for the day - school bag, lunch bag, materials, instruments etc. Please encourage your child to be responsible for bringing their things to school. If during the day you need to drop off a lunch, you will need to contact the HR teacher to set a specific time that the child will go to the gate to collect their food from you. Guards will not be able to hand over items of food or medicine. Medicine needs to have a form clearly stating child's name, class, dosage and instructions which again need to be given to child to deliver to our school nurse. We have a student medication form on our website for you to download and print to conform us of your child's medication requirements.

As the weather is getting colder and wetter, please remember that if your child comes to school in wellington boots of long boots, they need to bring their regular school shoes in a bag to change into. Thank you for your cooperation in supporting our school.

Kim Sahi

Co-Principal

Message From PSG

PSG hosted this term's Movie Night for the kids last Friday and yes, you guessed it! The theme was Halloween and all the scary monsters and things that go with it. Fresh from the School Halloween parade and activities, over 250 kids sat down after School to watch "Transylvania 3". And if the truth be known, several parents sneaked in to watch as well. Snacks and raffle prizes were given out beforehand and parents volunteered to supervise the kids. So thanks to the School for letting us do this again and many thanks to the parent volunteers.

Dates to note:

16th November - mid Semester break - School closed

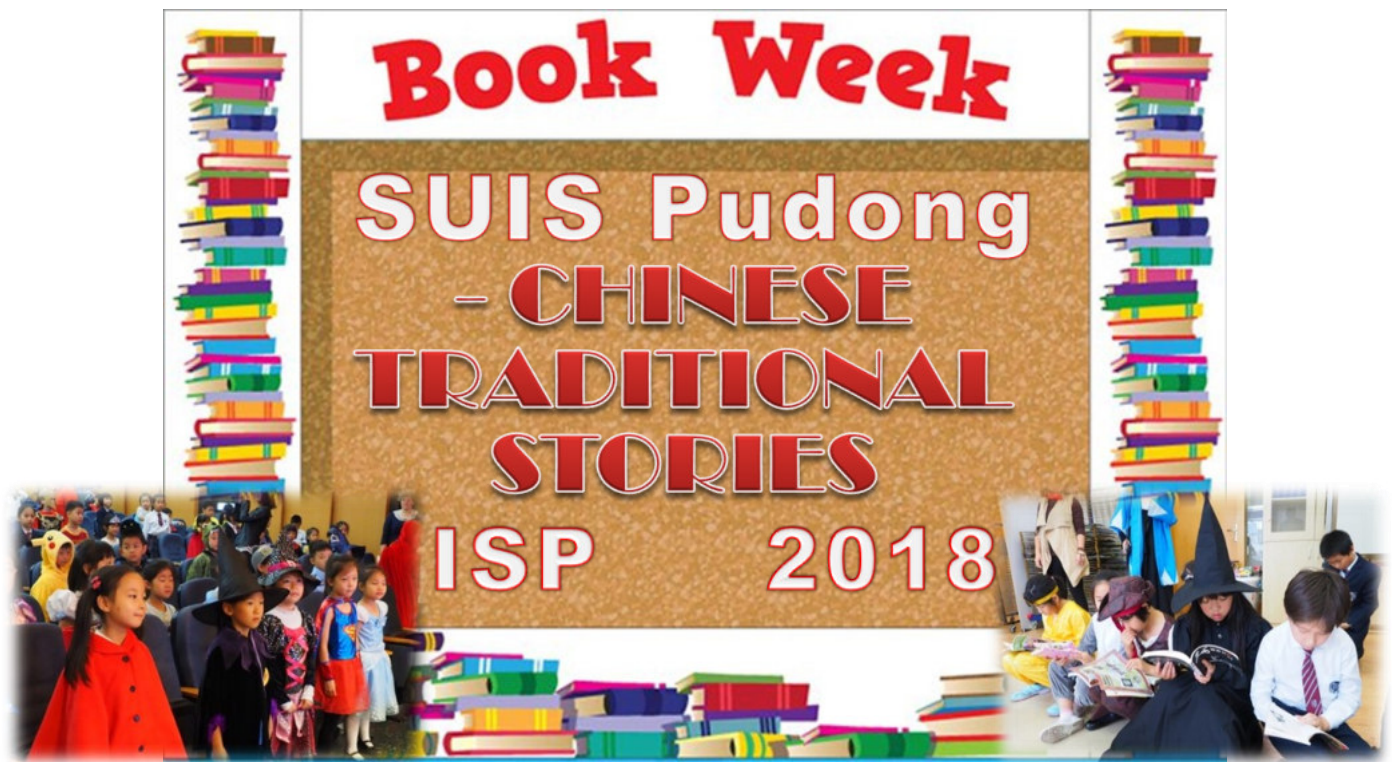

19th - 23rd November - Book Week

26th - 30th November - Assessment and review week

8th December - Christmas Bazaar

7th January - Return to school

Shadow Puppet Theatre - November 19th

Book Fair - November 7th - 9th

Book Swap - November 21st - 23rd

Traditional Chinese Character

Dress Up Day - Friday, Oct. 20th

In class English Reading and Chinese

Culture Activities: Role Play, Quote

Treasure Hunt, Reading Challenge &

Questionnaire, Cover Design, Book Buffet

& Gallery

Parents, Teachers & Students

Reading sessions

2018 Story Writing Competition

2018 Classroom Door Decoration

House Points & Prizes!!!

G1
Picasso
inspired
self-
portrait

G2 - watercolors

During our Art lessons ISP G1-5 students enjoyed learning about Art movement – Cubism and explored Pablo Picasso's masterpieces. Each Grade used different art media (materials) for a collaborative project creating Cubism inspired self-portraits:

G4
clay and
markers

G3 – cardboard and
tempera paint

5 students finished a big integrated unit on Human Anatomy and are working on Cubism inspired sculptures/self-portraits.

ISP Art Department would like to invite all Grade 1 – 5 students to participate in
SUIS ART FAIR:

Topic - Identity (self-expression)

Art media (any of your choice):
painting, drawing, sculpture, any fabric or mixed art media!

One student can submit one piece of artwork
by February 20th, 2019.

Winners artwork will be sent to participate in
SUIS Art Fair 2019!

If you have any questions or require any assistance please feel free to contact Ms Elena (Art Room A 111).

Dear parents, ISP Art Department would really appreciate your help with collecting recycled materials for some of our upcoming projects:

Students are welcomed to collect and bring different kind of leaves (variety of shapes and sizes - small to medium) for Grade 1 projects.

Various unwanted items (metal, plastic, glass) small and medium size for Unit on Materials and Robots for Grade 2 and 4 projects.

Broken and unwanted Cds.

Unwanted Lego blocks, figurines for

Unit on Materials and Robots for Grades 2 and 4.

Collection containers are located just outside Art Room A 111.

Thank you for your support and collaboration!

Ms Elena

Sports Day

On October 24th and October 25th ISP had their Sports Days. All of the students represented their houses and had the opportunity to compete as a team and individually to earn points. Each class had

to compete in 10 events and after all the events were finished all of the house points were calculated. In the G4-5 category yellow house had the most points and were declared the champions. Green house had the most points at the end of the G1-2-3 Sports Day on October 25th and all the members of green house got to celebrate their victory. Thanks to everyone who made the day possible; the teachers for their organization and hard work, the parents for their support and all the students who competed with fairness and determination.

SSSA Tournaments

Our students are still competing most weekends in various SSSA tournaments. Recently our U11 girls basketball team came in second place and received silver medals. SUIIS Hongqiao hosted the tournament and our team had 3 wins and 1 loss. A very strong Soong Ching Ling team had 4 wins and they received the gold medals. The girls never

gave up throughout the day and had the opportunity to showcase the skills they have been learning.

Ice Hockey

Some of the students from SUIIS Pudong have been competing in an ice hockey league. The team is called the dralions and at the most recent tournament the team came in 5th place. The team is always looking for new players so if any students want to get involved please contact Mr. Ciaran to receive more information.

Dick Whittington

Wednesday 14th November

We are pleased to welcome White Horse Theatre Company to SUIIS Pudong. This prestigious company has performed internationally for over 20 years. The shows are designed for bilingual students with plenty of audience interaction, thereby turning the whole theatre into a stage.

Learning in grade 4

November 2018

Update

Grade Coordinator's Statement

The Grade Four students have been developing their problem-solving skills through a variety of engaging activities. Lessons are designed to support students in guiding their learning by posing questions and carrying out their own investigations.

Chris Young
G4 Grade coordinator

Grade 4 Field Trip to the Shanghai Museum of Glass – where the students learnt how glass is made, explored reflection in the G maze and even made their own kaleidoscopes.

Forces is our current science topic – the students have been using the scientific method to carry out many investigations exploring gravity, air resistance, thrust, friction etc.

Theme and PSHE lessons are covering healthy living. The children have learnt about different food groups and are now learning about 'micronutrients', how these vitamins and minerals are essential to our health and of course where we can find them.
