

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21st century.

Dear Parents

Welcome Parents to our latest edition. We are getting together our final preparations ready for our annual Winter Bazaar which will be held tomorrow on Saturday 8th December. Parents and staff have been busy organising what will be a lovely fun filled family event. We look forward to seeing you there! In this issue, you will see highlights from our recent book week was a great success. I would like to take this opportunity to remind you all that as the weather is beginning to get cold, our classrooms are warm. Therefore we will be encouraging your child to take off their coats during lesson times. If you feel your child may be cold - remember to put a garment eg vest under their uniform for an extra layer.

Thank you and have a good weekend.

Excellent Cambridge Primary Checkpoint Results

Grade 5 students sat the Cambridge Primary Checkpoint Tests in English, Mathematics and Science in April 2018. The Cambridge International Examination Board has now issued the results. Our students have reached very good scores; some of them have even gained marks between 5 and 6, which is the highest score possible.

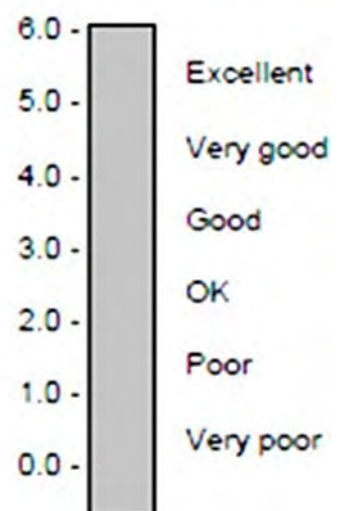

The overall result in

English is 5.1
(4.1 in 2017)

Mathematics is 5.5
(5.1 in 2017)

Science is 4.7
(4.1 in 2017)

This is what the scores mean:

We would like to share with you our fantastic results from Summer 2018.

On the back of outstanding CAIE Primary Checkpoint results we are proud to announce that our IG, AS and A Level students have achieved magnificent exam results. With over 200 IG examinations being sat, 99% resulted in A* - C grades with a remarkable 72% resulting in the top grades of A* and A. To put this into context – in the UK just over 20% of all examinations result in these top grades. A huge congratulations to all students with a particular mention to Daryna Lesniak and Rina Mitsutsuka who achieved an A* in all subjects.

Our AS and A Level students have also performed to an exceptional level. Within AS, 81% of examinations resulted in grades A – D and A Level 89% A* - D. A special mention to Xiao Hu (Owen) who achieved 2 A*'s and an A.

These set of results once again reaffirm that students at SUIS Pudong are talented, hard working young people and are exposed to the highest standard of education. Here's to SUIS Pudong being one of the top schools in Shanghai.

Student Council

It's my pleasure to be the Head Boy of student Council this year. Every single prefect works extremely hard to help the school to be a better place. We started the toy house again and building a friendship corner where students without friends to play with can still be happy. I really enjoying being a member of the student council this year.

—Marc Zhou Head Boy

To me student council is students who wants to make the school a better place. I think it's a place to share our idea and improve the things that's not good. We can also help children during recess time. I

also think students council is a good way to show how I can be a role model for younger students.

—Sirui Huang

To be student council is a great chance to help our school to be a better and safer place for other children. We will try our best to make everyone happy and feel safe. We can also be a great role models for the younger children.

—Ruth Zungunde

Please ensure to sign up for a different CCA than in term 1, students who sign up for the same one will be moved to another CCA. Grade 3, Grade 4 and Grade 5 students will have 21 different activities to choose from. All the information regarding usernames and choices will be given to students on Monday. Term 2 CCA will start the week beginning 14th of January.

SSSA tournaments

SSSA tournaments are continuing. This weekend our U11 & U13 boys will represent the school in basketball. The U13 and U15 girls volleyball team will play in their first tournaments of the year this Saturday.

book week

Wow! What an amazing and successful Book Week we had this year. It kicked off with our Book Fair. Students and teachers loved getting their hands on the latest copies of popular series like Beast Quest, Flower Fairies and Minecraft, as well as all the classics like Peter Pan, Treasure Island and Kensuke's Kingdom. Teachers were able to add to their class libraries, so that students could enjoy the new authors.

On the 14th November we were delighted to receive the White Horse Theatre Group and all students in International and Premier Primary were treated to the totally fabulous Dick Whittington performance. Students adored the show and asked very thoughtful questions of the actors. Many students went back to class and produced outstanding follow up work. Their teachers were thrilled.

book week

Our theme this year was 'Chinese Traditional Stories' and we began Monday 19th November with a sensational traditional Chinese puppet show. Students were encouraged to 'have a go'. Inspired

by the show students created their own puppets and wrote scripts ready to perform. As a bilingual school the students were able to competently use both English and Chinese when performing. Many successful students recorded their performances and were able to share them in assemblies, treating students from other grades to a highly professional film.

Students took part in many competitions related to our theme. Doors to classrooms became gateways to a multitude of traditional stories with fabulous decorations. A treasure hunt based on quotes from stories saw many winners. Our students impressed us with their understanding and knowledge.

book week

Fran Bruce came to share her traditional Chinese story with Grades 1, 2 and 3. An absolute delight as the students were encouraged to take part in the retelling. It was great to have a published author join us and share her knowledge. Students were inspired to start their own stories ready for our story writing competition.

Teachers shared their favourite stories, alongside visits from students in Grade 4, 5 and 7. We loved having the older students read to us in such a confident and entertaining way. We are so lucky to have such mature and eloquent students.

Friday was our finale, a parade of perfectly created character costumes! Teachers and students had surpassed themselves and looked phenomenal. We had Monkey Kings, Dragons, Empresses and Emperors, and gods and goddesses. A truly wonderful week of activities. We can not wait for next year!
