Dear Parents ,

Welcome to our next addition.

Firstly I would like to say thank you to our wonderful PSG who put on a spectacular Summer Fair for our school community. The afternoon was filled with water games and slides and a host of vendors selling delicious food too.

In order to put on such a successful event, the

PSG members worked over the summer to organize and get the event ready, we are very thankful for their hard work. Thank you to our student performers who kept the audience entertained with their singing and musical talents. We hope you all had a wonderful time.

Last Saturday we put on our Curricular morning for both Primary and Secondary. This event was well attended by parents and we hope you found the various sessions informative. Thank you to those of you who completed the feedback forms.

On behalf of all of the staff at our campus I would like to wish you all a very enjoyable midterm holiday. School will be closed tomorrow on Friday 13th September.

PARENT CURRICULUM

OPEN MORNING

On Saturday 7th September , SUIS Pudong welcomed the parents to our annual Curriculum Open Morning.

The morning is designed to inform parents about the curriculum their child will be studying, it also covered procedures and processes that are specific to our school.

The key areas that were covered are;

- Curriculum overview for each grade
- Single Subjects overview for Art, Computer Science, Music and Physical Education
- Cross Curriculum Activities (C.C.A.s)
- Pastoral procedures

In addition to these key areas, our Principal Miss Sahi shared the positive results from last year's Cambridge Checkpoint Exams.

Our P.S.G. also gave a presentation, which highlighted all the good work they do but also there was a plea for parents to join the P.S.G. to ensure that the good work continues.

We look forward to working closely with all parents this year, to ensure that every child is supported to achieve their full potential.

SPORTS TRIALS

Every G4 & G5 student has received a letter regarding trials for sport teams that will happen next week. If your son/daughter wishes to take part in the trials please complete the permission slip and return it by Tuesday (17th September) at 9.45 a.m. Students cannot attend trials without returning a completed permission slip. G3 students who show excellent skills in P.E. lessons may be invited to join the team, as of now teams are only open to G4 & G5 students.

CCA

The CCA system is open so please use your account information to login and select an activity. Any students who doesn't choose an activity will have one chosen for them.

PSG'S 4TH SUMMER FAIR

The PSG's 4th Summer Fair took place on Friday 30th August and was well attended, with free water games and football coaching for kids and many food stalls and vendor booths catering for all. Everyone enjoyed themselves.

PSG wishes to take this opportunity to thank everyone who put so much effort and time into the many preparations that started as far back as May and many thanks to the School for assisting and to all the teachers who supervised on the day. We owe the success of the Fair to all the above and of course to all the parents and kids who attended.
