Dear Parents ,

Open Day

The International Secondary held a very successful Open Day on Saturday 7th September.

Parents from Grade 6 right through to A2 Level were warmly welcomed by Ms Sahi and Ms Cai in the auditorium where the tremendous successes of the year before were celebrated. Parents then had an opportunity to meet with their child's form tutor before heading off on a visit to the various subjects. Subject specialists then shared the expectations and overviews of the courses with parents and they were given opportunity to ask questions and discuss content.

The event ended with parents being invited to join the staff for refreshments. A most rewarding and informative morning was had by all and we thank the very many parents for their attendance.

Summer Fair

The PSG's 4th Summer Fair took place on Friday 30th August and was well attended, with free water games and football coaching for kids and many food stalls and vendor booths catering for all. Everyone enjoyed themselves.

PSG wishes to take this opportunity to thank everyone who put so much effort and time into the many preparations that started as far back as May and many thanks to the School for assisting and to all the teachers who supervised on the day. We owe the success of the Fair to all the above and of course to all the parents and kids who attended.
