

# SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global citizens for the 21<sup>st</sup> century.

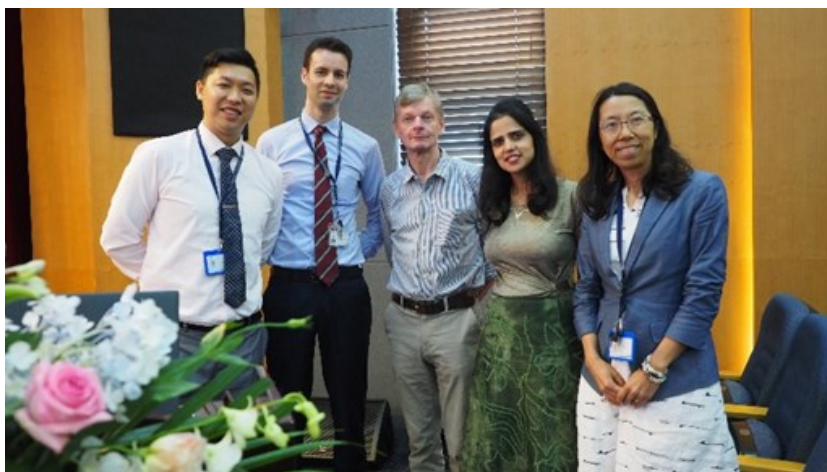

Dear Parents ,

SUIS Pudong welcomed **Professor Derek Kennet** of Durham University's world-renowned Archaeology Department to the school on Tuesday September 10. Professor Kennet gave a thought-provoking and interesting lecture to the IGCSE and A Level students which aimed to introduce the subject of archaeology and to share his experiences in this exciting and often overlooked field. Professor Kennet was keen to stress the cross-curricular nature of archaeology, which overlaps with other departments such as chemistry, geography, history and economics, and the range of careers available to those who graduate with an archaeology degree.

In addition, Professor Kennet gave an overview of his collaboration with Beijing's world famous Palace Museum, which marks the first time overseas archaeologists have had access to the Forbidden City. After a Q&A session, Professor Kennet held a workshop on personal statement writing; perfect timing for the A2 students, who are currently writing theirs.

As the SUIS Pudong sixth form grows, and the number of students applying to universities around the world increases along with it, we look forward to hosting even more universities over the coming school year. Events such as Professor Kennet's visit not only provide students greater knowledge and understanding of what universities offer, but also allow them to experience what university-style lectures are like. In addition to the support provided by the University and Careers Guidance Counseling team, we hope this will help to ensure that students are as well prepared for the university experience as possible.

## A Reminder

Please remind your son or daughters to think about what is appropriate to bring to school. Students must pay attention to items that could possibly be a hazard to others, they should think carefully about items of value and use their common sense. Students should always speak to staff if they are unsure of their own property, and report dangerous items asap if seen.

## Key dates in October

Oct 17 Cross Stream Sports Day

Oct 25 Mid Semester Reports Issued

Oct 29 16:30-19:45 KS3 Three Way Conference

Please see attached calendar with assessment dates on.

On behalf of all of our staff, I would like to wish you all a very happy National Holiday whether you are travelling or staying in Shanghai. We will see you back to school on Tuesday 8th October.

**Kind regards!**

Ms. Kim Sahi  
Co-Principal

Ms. Bonnie Cai  
Assistant Principal and Head of Secondary
