

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global citizens for the 21st century.

Dear Parents,

Book Week

SUIS Pudong's annual Book Week began with our book character dress-up day on Friday 1st November. We saw some amazing costumes from our secondary students this year, from Katniss Everdeen to Harry Potter and beyond. Everyone paraded around the field, showing off their costumes, and a prize was awarded for the best costume(s) in each grade: Grace and Dora from A level, Shirley from IG2, Kelly from IG1, Josh and Christine from G8, AJ and Lijia from G7, and Tiffany and Vincy from G6.

The next week, the activities began in earnest. The ever-popular Book Fair ran all week, and our students picked up some great reads, from classics to contemporary novels. During lesson times, teachers planned special activities from door decoration to visiting our Grade 5 pupils for some paired reading. There were also three exciting lunchtime events, which were impressively well attended!

Book Week

The Big Book Quiz kicked off the week. Students from G6 and G8 put their book knowledge to the test, answering questions on topics such as children's literature or fantasy and sci-fi. There were impressive scores across the board, but our eventual winners were from Grade 6: Olivia, Jackie, Ruby and Claudia. Great reading, everyone!

On Thursday, the amazing Mathilda from G8 launched a new creative writing club. Everyone enjoyed the imaginative activities, and we look forward to future sessions. Thanks, Mathilda!

Finally, the week ended with a bang: the scavenger hunt! Expertly planned by Mr Budding (with assistance from Mr Lotter), the scavenger hunt was a frenzy of literary activity involving a race to find all of the answers to clues hidden around the school. Many teams did well, but one team came out on top - by a single point! Congratulations to our 2019 scavenger hunt victors: Mathilda, Dhwani, Evelyne and Henry.

We hope that everyone enjoyed our celebration of reading. We're already excited about our next English department event, which will take more of a dramatic turn...

Sports Teams

It has been a busy month for all the sports teams here in SUIS Pudong. Most have competed in their first competitions of the semester. All of the teams competed courageously and make significant improvement from the beginning of the year, for some students it was their first time playing the sport at any sort of competitive level. The teams that competed are U11 girls' football, U11 boys' football, U11 girls' basketball, U11 boys' basketball, U11 mixed badminton and U13/U15 mixed badminton. November will see more teams having their first competitions of the semester including volleyball and U13 boys' football.

Sports Teams

All the IG1 students helped out for Primary Sports Days on October 23rd and 24th. This was an opportunity for them to take some leadership roles and manage some of the younger students from our Primary school. All the teachers from Primary were hugely impressed by the energy, dedication and leadership skills of the IG1 students and remarked on their contribution on making both days a success.

Date to Note: Please note that 15th November is mid semester break.
