Good Luck for the Year of the Rat

Chinese New Year celebration week of 2020 SUIS IS primary

The New Year's bell is about to ring, the wheel of time has left a deep imprint. Accompanied by the warm sunshine in winter and full of festive joy, SUIS Pudong launched the activity of "Good Luck for the Year of the Rat", which filled the campus with an atmosphere of festive joy.

Classroom Decoration

Our campus has been decorated with lights and festive decorations. Each classroom has been decorated by the students with the teacher's guidance. The New Year atmosphere is alive and well!

Chinese Story Telling

Storytellers from higher grades prepared stories about the Chinese New Year and they couldn't wait to share it with the younger students. The story tellers spoke eloquently, while the little listeners were attentive. In addition, we invited parents to participate.

Magic/Juggling Show

We especially invited a professional performance team from outside the school to present a wonderful and exciting program. The performances included "close-up magic", "fun westward journey" and "balloon clown". Each thrilling action, was breathtaking for the students; Every cute and humorous expression made the children laugh. The scenes were extremely lively and there was laughter throughout the show.

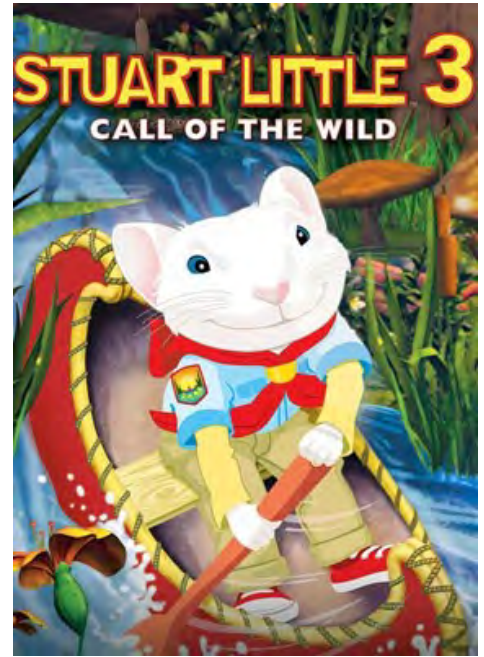

Classroom Activities

The classroom activities were different in each grade, the content was rich. In addition to traditional Chinese games such as hopscotch, hoop rolling, pinball with chopsticks and pot tossing, there were also handmade workshops like DIY New Year's bags and red envelopes, window cuttings and color creations of Peking Opera masks. All of the activities were interesting and the results were attractive. How happy the children were holding the prizes they had won through hard work!
