

SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21st century.

Dear Parents,

Welcome to our latest issue. It's been busy again and we are proud to share these wonderful photos and information about our Cultural Diversity Week 2021.

A big thank you to all of you who contributed to make this a great success. It is the first time we have celebrated the week with a whole school primary fair and based upon the feedback we have had, we will definitely make it an annual event.

Cultural Diversity Week Fair

For the first time ever, we held our Cultural Diversity Week Fair. On Thursday 13th of May, our SUIS students went on a trip to visit different countries with their passports. Each class and grade represented a different country with tables set up for different activities for students to explore. Each grade had food for students to sample, a craft for students to make and an artistic design, like face-painting, for students to show off the different countries they had visited.

All Grade 1 students working very hard to set up their tables.

It was great for students to get an 'Orange Crush' by visiting The Netherlands, which was represented by G1 classes. Students got to make beautiful tulips and enjoy some Gouda and stroopwafels. We all said 'Annyeong Haseyo' when we visited The Republic of Korea, represented by our G2 classes. They had some delicious kimchi and seaweed. Many students made elegant fans called Hanguk gongye. G3 classes and students were all in yellow and red to display the colours of Spain. Tasty churros, tortilla Espanola, Cambasalajielo and Pulpo a la galleya were all served. Students made some stylish and colourful coasters. Each Grade 4 class represented a different country, where students had a chance to visit Mexico and Singapore. Students designed their own masks, and enjoyed scrumptious chips with fresh guacamole. In Singapore, there were many more delicious treats for all to enjoy. Grade 5 classes worked hard to have many different meals and crafts! There was fresh sushi, shrimp chips with coconut juice, English Cheddar cheese, Italian spaghetti, pizza and tiramisu. Students played bocce, made Thai clay elephants and English postboxes.
