

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21st century.

Dear Parents,

Welcome to our last newsletter of the year. We hope that you have found our newsletters both informative and entertaining. Our aim is to give you all a snapshot into what goes on in our Secondary School. Please do promote this publication to other parents. We have had a busy time and have celebrated graduations, awards evening and a music concert. All of these events have been fantastic and have showcased the many skills of our students.

IG2/A2 Graduation Ceremony

On Friday the 18th of June, a buzz of excitement echoed around the SUIS Pudong campus. The day of the IG2 and A2 graduation ceremony had finally arrived. Students had been working busily all week to take ownership of the event; writing speeches, organising photoshoots, rehearsing songs and dances and planning a few surprises for the lucky attendees.

The event commenced with a plethora of talented graduates. IG2 students Ariel and Lucy danced beautifully, Cata (IG2) stunned the audience with another original song and Sean (A2) also presented his own work with alive performance of his rap. Grace (A2) demonstrated the skills which earned her a place to study theatre arts at university with a breathtaking rendition of "The Wizard and I" from the musical "Wicked".

The opening performances led into a celebration of our graduating students through emotional speeches both by students (Ariel and Bob in IG2, Tim and Linda in A2) and tutors (Mr Lunn and Ms Hong, Ms Liu and Ms Wang) generously reflecting on the time the group has spent together and wishing each other well with wise words and motivational encouragement for the future. A

compilation of IG2 memories created by student Roger was also shared at this point, to the delight of the audience.

The certificates were then presented, with each graduate, resplendent in their formal attire, humbly receiving their awards from Ms Cai, Ms Sahi and Mr Jin.

The event closed with some reflective words from the principals and two final, group performances from the students, including a professionally recorded song written by A2 student Dora and a surprise memory video created by Linda (A2).

When the curtains closed and the lights dimmed, the students remained on stage to take photos with their friends, parents and teachers, demonstrating their appreciation of the support and teamwork that has led them to such successes going forwards.

Congratulations class of 2021, SUIIS Pudong wishes you all the best for the future.

KS3/IG1 Reward Evening

On Tuesday 22nd of June, International Secondary Stream held our annual Key Stage Three and IG1 Reward Ceremony.

This ceremony is an opportunity for us as a school to recognise the outstanding academic achievements and efforts of members of our school community. All International Secondary staff were asked to nominate one student from each of their classes who they perceived to have exhibited a consistent and sustained level of excellence throughout the year, as well as one student who has shown resilience and fortitude over the course of the year to improve their efforts and achievements in those particular subjects.

Form tutors were also asked to nominate a student for the Student of the Year Award from their form; the criteria for winning this award was a student who has consistently shown the school qualities we encourage our students to demonstrate: resilience, collaboration, excellence, respect, curiosity and a sense of community.
