

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21<sup>st</sup> century.

Dear Parents,

We hope that you enjoyed the Mid-Autumn Festival, and managed to eat some moon cakes!

## *Parent information Afternoon*

On Wednesday 22nd September, we held our Parent Information Afternoon. This was an opportunity for parents to speak to the different subject teachers to gain an understanding of the curriculum and the topics that their son/daughters would be completing this academic year. It was a pleasure to see so many familiar and new faces attend. There were lots of insightful questions from parents and staff were able to direct parents towards helpful resources. We have received some excellent feedback and have also taken note of the suggestions to make next year's event even better.

Thank you for attending the PD Parent information afternoon. If you have any further questions, please email your son/daughters subject teacher.
