

SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21st century.

Dear Parents,

welcome to issue number 5.

We thoroughly enjoyed having our parents from Grades 1 to 5 come into school this week to be part of our open curriculum mornings. This is a time when we invite parents to come and be part of the lessons taking place. We hope you enjoyed the morning and went away thoroughly impressed.

This week, I met with our community of students from Primary and Secondary who celebrate the Hindu and Sikh festival of Diwali. This is known as the festival of lights and is one that I celebrate with my family. We enjoyed sharing ways in which we celebrate and talked about the various food we like to eat. It was wonderful to connect with one another.

Authors' Day

Author's day was last Friday, October 29th. This event featured the winners of our story writing competition during last school year. Students from each grade had the opportunity to meet the authors and purchase their books from them. They were also had chance to get the authors to sign their books. Many of the students were still dressed in their costumes from the Book Character parade when they attended the event, which made it an especially wonderful atmosphere.

For students who strive to be authors during our next Author's Day, the clock is ticking. This year's story writing competition is well underway and stories are Due on November 15th with the focus on qualities.

Book Character Dress Up Day

Book Character Dress Up Day was also last Friday, 29th October. This was a whole school event and all of the streams in both Primary and Secondary participated. Each class walked in the parade while onlookers displayed signs of encouragement for them.
