

# SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21<sup>st</sup> century.

Dear Parents,

Welcome to our latest issue. Unfortunately, due to the recent Covid regulations, we are unable to hold our Winter Bazaar as we had originally planned. Instead we will hold the passport activities, music concerts and Christmas fun during school time. We are sure that our students will have a great day.

In today's assemblies, students were reminded about our canteen rules and expectations. Please talk to your children about these and let the students tell you what they understood. It was lovely to award all of our recent story writing competition winners. I am enjoying have the winners come and share their stories with me. We have very talented writers who are all very excited to see their stories transformed into 'real' book's.

# Book Week

Last week we all enjoyed a successful Book Week full of a variety of activities and celebrations. Activities included the book fair, book swap, story-telling sessions, door decorating competition, pajama dress up day and this year's story writing competition winners were announced.

## Book Fair

The book fair returned to SUIIS during our ISP Book Week this year and it ran from Tuesday 23<sup>rd</sup> to Thursday 25<sup>th</sup>. Each class scheduled a time to visit the book fair during those day in order to browse and purchase some new books from the wide selection on offer.

## Guest Readers

Throughout the week, guest readers read to the students. Parents, teachers and staff shared a wide variety of wonderful stories and the students were so happy to hear them. Thank you so much to everyone who participated.

## Door Decorations

Every class created a door decoration related to a book or author they enjoy. Classes worked together and came up with some exceptional designs. This year, all the classes had their hard work recognized and celebrated according to each theme. So, everyone was a winner and the activity helped students to practice their teamwork and design skills.

## Reading Morning

Also on Friday, students from each class went to a lower grade level class to read a story. It was a special experience for the students to interact in this manner. The students reading the stories got to experience the joy of reading to younger students, while the younger students benefitted from listening to their slightly older peers. The Grade 5 students had the unique opportunity to meet some Grade 8 students who volunteered to read to them. We appreciate the support and participation of the Secondary students.

## Book Swap / Pajama Day

This year's book swap was an all-day event that took place on Friday, while we were dressed in our comfy, cozy pajamas. There was excellent participation in the event, with each class providing lots of high-quality books.

## Story Writing Competition

This year's story writing competition were announced during our assemblies on Friday. Students had been writing and illustrating their own English and Chinese books. After careful evaluation, the best entries were selected and the winners will have their stories published. During our next Authors' Day, these students will get the chance to sell their books to other students and teachers. Participation was amazing, with each class having many quality entries and we would like to thank and encourage everyone who submitted a story.
