

# SUIS PUDONG NEWSLETTER

SUIS Pudong offers an opportunity for students to enter a continuum of education from Primary through to the end of Secondary to prepare them to become Global's citizens for the 21<sup>st</sup> century.

Dear Parents,

This is our final newsletter of the school year. Wow - what a year it has been! Thank you all for your ongoing support as we as the community of SUIS Pudong of students, parents and staff continuously worked together as we faced the many challenges that the pandemic put upon us. I am feeling extremely proud of how resilient our students have been. They have given their best, tried their best and are the best! It wasn't easy but we all got through it. Although so many of our annual events had to move to online events, our teachers and students made them just as enjoyable as possible- thank you. We will be saying goodbye to some of our teachers. I would like to take this opportunity to thank them for their hard work and dedication to our students. We wish them all the best for their future.

Now, there is one last thing to say: From all of the staff at SUIS Pudong campus, we wish you all a wonderful and relaxing Summer holiday.

## *Rewards Evening*

Last week we celebrated our top academic achievers in Key Stage 3 and Grade 9 at our end of year awards evening. Not only did our students showcase their performing arts talents with an array of musical performances, we also collectively recognised our students who put in exceptional effort during lessons and form time.

Students were nominated by their teachers for two categories: Highest Attainment and Most Improved. Tutors were also asked to nominate one tutee in their forms who demonstrated outstanding qualities for a Tutee of the Year Award. While we were unable to host this event in person, it was a wonderful virtual event. Our students have shown incredible resilience during the online learning period and all deserve a huge congratulations for continuing to put so much effort into their learning.

Thank you to all the teachers and parents who participated in this event, particularly our form tutors who delivered moving speeches for their nominees.

# Grade 9 Leaving Ceremony

Grade 9 students had an online leaving ceremony last Friday to wrap up their school life at Xueye Campus with optimism and enthusiasm! Though the students and teachers could not bid farewell in person, they did their best to make the ceremony unique and memorable.

The ceremony was kicked off in the speeches from their teachers and the students' representatives. The whole year group sang a song and shared a video loaded with bits and pieces from the past years. Under the witness and blessing of the principals, the graduates appeared on camera and expressed their thanks in the most memorable moment of the leaving ceremony.
